231-18/10 *Request for funding for the Programme Climat municipalités - Phase 2 (Ministère du Développement durable, de l'Environnement et de la Lutte contre les changements climatiques, MDDELCC)) -project SAUVÉR*

WHEREAS Since 2017, the pilot project SAUVÉR - developed by the YHC Environnement - allows municipalities in the region to benefit from a new solution for mobility: car sharing of electric vehicles between public officials and citizens;

WHEREAS CREDDO, supported by Fonds d'appui au rayonnement des régions (FARR), controls the deployment of a regional project SAUVÉR throughout Ottawa;

WHEREAS it is a collective and unique collaborative project in which six municipalities are engaged in the region, and five others could follow by the end of 2018;

WHEREAS the Municipality of L'Isle-aux-Allumettes completed the first phase of the SAUVÉR project, a preliminary study with the support of FARR via CREDDO to make a full diagnosis of its municipal fleet in order to define its needs on vehicles;

WHEREAS the Municipality of L'Isle-aux-Allumettes will present a pooled funding request with other municipalities in rural Outaouais with the Fédération of Canadienne Municipalities to carry out the second phase of the SAUVÉR project, including the acquisition of an electric car and car-sharing device;

WHEREAS additional funding under the Programme climat municipalité - Phase 2, proposed by MDDELCC, would improve the project by contributing to the development of the electric HUB-station service;

WHEREAS the desired contribution of participants is between 10 and 30% of total costs, and obtaining a grant from the Programme climat municipalité - Phase 2 contributes to this objective;

WHEREAS this regional scale project requires a collective grant application, and that this would be done through the Municipality of Chelsea;

CONSEQUENTLY, it is proposed by Councillor Sallafranque that Council authorize the Municipality of Chelsea to deposit on its behalf an application for funding in the amount of \$ 27,000 for its part in the SAUVÉR project for the Outaouais region - Phase 3 "Development of the electrical service station ";
